CFA SOUTHWEST REGIONAL AWARDS 2013-2014

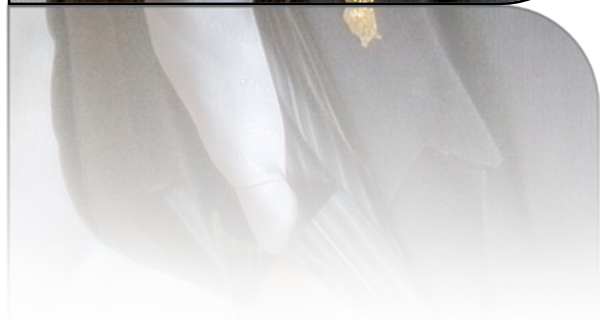

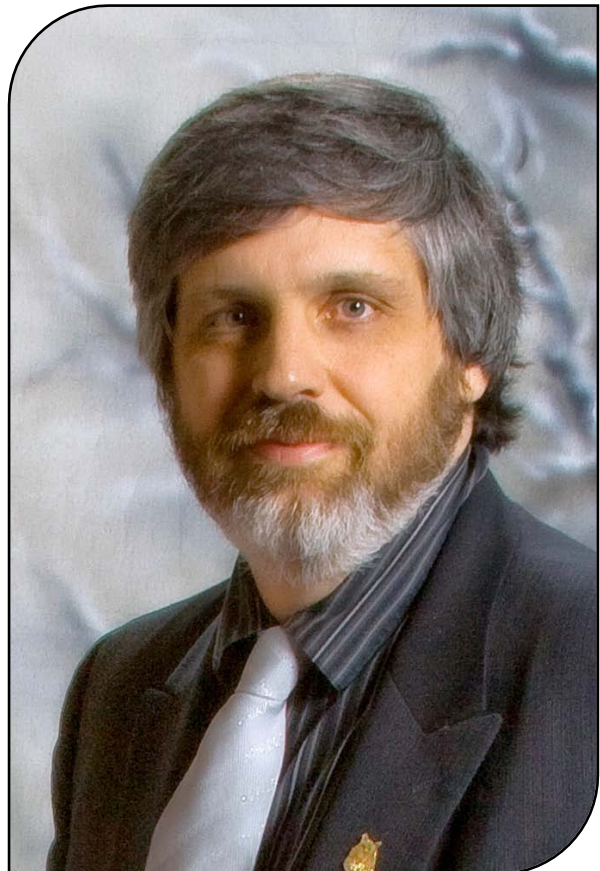

Welcome, everyone, to the 2014 Southwest Regional Awards banquet. This has been an outstanding year for the region, with 14 National Wins, more than any other region in CFA! This is a tribute to our breeders and exhibitors, and shows their dedication to the responsible breeding and showing of these outstanding cats.

But these awards are not just about the National Winners. We are here to honor all of our regional winning cats. We are expanding our recognition of our Household Pets to include our Top 15 cats, and Region 5 is proud to continue to be at the forefront of honoring the exhibitors that contribute so much with their dedication to these cats. They truly embody CFA's work to promote the well-being of all cats. We are also recognizing our Veterans for the first time, along with their owners who keep these mature cats in such amazing condition.

Congratulations to all of the winners, and my heartfelt thanks to all who work to support CFA and the cat fancy in all that you do throughout the year.

CFA Cat Hero Award in Celebration of the Feline Human Bond

to

Tara Triantafilo

Saturday, June 14, 2014

Renaissance Palm Springs Hotel

On May 14, 2014 Tara the tabby cat saved her four year old owner Jeremy Triantafilo, who was in his front yard, riding his bike and was attacked by the neighbor's guard dog. Tara was caught on home security video coming out of nowhere and hurling her body at the dog, disrupting the attack, chasing the dog away and saving Jeremy.

According to Roger Triantafilo, Tara, was a stray and adopted the couple as a kitten and followed them home one day. After Jeremy was born, Tara would climb into his crib and curl up beside him and go to sleep. So, it appears that Tara has always watched out for her owner.

We are glad that Jeremy is fine and
all is well! We applaud Tara as our
CFA Cat Hero!

**Youth Feline Education Program
Sponsored by: Royal Canin**

Congratulations to the Southwest Region youth participants on a successful show season. Their current successes are the foundation on which a very bright future will be built. The program as designed to let the young people of CFA determine their own path through various activities in hopes that they will find themselves in the hobby they love and in life in general. All our kids have accomplished a great deal this year from showing their feline companion to helping shelters to promoting CFA in the most positive light to the general public.

The positive attitudes these children have exhibited all year have given us some great moments and wonderful memories to be shared with family, friends, and the cat fancy in general. The contributions made by each of them will be felt for years to come, it gives the program great pleasure to recognize the Southwest Regions youth and to announce that some of the youth will also be recognized at the Annual for National Awards.

Please join the program in congratulating the future of CFA on their accomplishments.
